

# KEEP SAFE INFORMATION

**KEEP SAFE** aims to help people feel safe in their community.

**KEEP SAFE** works with local shops and public buildings to create safe places for people to go if they need help.

The shops and other buildings will put a **KEEP SAFE** sticker in their window where it can easily be seen.

You can have a **KEEP SAFE card**, which holds important information about you and the contact details of who can help you.

If you need help, you can go into a shop or building where you see the **KEEP SAFE** logo. Staff will help you.

They can help to contact the person you want to come and support you.

They can give you directions to where you want to go.

They can phone the police for you if you need them to.
